Satisfaction Notice

On behalf of the FlipaClip App team, I would like to thank Cuberto for the successful collaboration and design of FlipaClip.com. Cuberto proved to be a reliable and responsible partner that we were comfortable collaborating with.

We reached out to Cuberto because we needed an agency that could push all aspects of the design process from ideation to a final front-facing website. Cuberto was able to quickly pivot and adapt when priorities changed. It truly shows their passion in their work, from the most sophisticated designs and development.

We will work again in the near future.

Sincerely,

Marcos Meson
