DUBLIN 2

Thank-you letter

Genesis Vision Team would like to express our sincere gratitude to the Cuberto team for cooperation, excellent work and high-level professionalism.

We ordered branding, web design and mobile app design.

Cuberto designers are extraordinary productive specialists and are creative in solving all assigned tasks. We were pleasantly surprised by the authenticity of the idea that we were offered. As a result, we got a unique unforgettable design!

12 March 2020

Sincerely regards,

Dmitry Nazarov / CEO Genesis Vision LP
